United Nations S/RES/1792 (2007)

Security Council

Distr.: General
19 December 2007

Resolution 1792 (2007)

Adopted by the Security Council at its 5810th meeting, on 19 December 2007

The Security Council,

Recalling its previous resolutions and statements by its President on the situation in Liberia and West Africa,

Welcoming the sustained progress made by the Government of Liberia since January 2006, in rebuilding Liberia for the benefit of all Liberians, with the support of the international community,

Recalling its decision not to renew the measures in paragraph 10 of resolution 1521 (2003) regarding round log and timber products originating in Liberia, and stressing that Liberia's progress in the timber sector must continue with the effective implementation and enforcement of the National Forestry Reform Law signed into law on 5 October 2006, including the resolution of land and tenure rights, the conservation and protection of biodiversity, and the process for the awarding of contracts for commercial forestry operations,

Recalling its decision to terminate the measures in paragraph 6 of resolution 1521 (2003) regarding diamonds,

Welcoming the Government of Liberia's participation in the Kimberley Process Certification Scheme, noting Liberia's implementation of the necessary internal controls and other requirements of the Kimberley Process, and calling on the Government of Liberia to continue to work diligently to ensure the effectiveness of these controls,

Stressing the continuing importance of the United Nations Mission in Liberia (UNMIL) in improving security through Liberia and helping the Government establish its authority throughout the country, particularly in the diamond and timber-producing regions, and border areas,

Taking note of the report of the United Nations Panel of Experts on Liberia dated 5 December 2007 (S/2007/689, annex), including on the issues of diamonds, timber, targeted sanctions, and arms and security,

Having reviewed the measures imposed by paragraphs 2 and 4 of resolution 1521 (2003) and paragraph 1 of resolution 1532 (2004) and the progress towards

07-65323 (E)

meeting the conditions set out by paragraph 5 of resolution 1521 (2003), and concluding that insufficient progress has been made towards that end,

Underlining its determination to support the Government of Liberia in its efforts to meet those conditions, and encouraging donors to do likewise,

Urging all parties to support the Government of Liberia in identifying and implementing measures that will ensure progress towards meeting the conditions set out by paragraph 5 of resolution 1521 (2003),

Determining that, despite significant progress having been made in Liberia, the situation there continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Decides*, on the basis of its assessment of progress made to date towards meeting the conditions for lifting the measures imposed by resolution 1521 (2003):
